

Walk into History

Brick Program Information

Thank you for your interest in the Yellowstone Historic Center's Walk into History brick program. We hope that you will decide to participate! In conjunction with the many ongoing improvements at the Yellowstone Historic Center Museum, proceeds from all brick program donations go directly to fund the beautification of the grounds of the Union Pacific depot. This list of frequently asked questions provides more information about the program. Please ask our staff if you have additional questions.

How do I order bricks for this program?

You can use the reverse side of this sheet as your order form, or you may use our online order form at [www.yellowstonehistoriccenter.org/join us/buy a brick](http://www.yellowstonehistoriccenter.org/join-us/buy-a-brick). You may choose either a large or a small brick, depending on how much text you want. Each rectangle represents one brick. Your inscription for each brick must fit into one rectangle, with one character per dashed line, up to a maximum of 16 characters per line. A character is defined as a letter, number, blank space, hyphen, ampersand, comma, apostrophe, exclamation point, or period. Do not use any other punctuation marks or special characters. You may use both upper and lower case letters. **Please be sure to write legibly or type your inscription.**

When will I be able to see my brick in front of the Museum?

Bricks are ordered on or shortly after April 15 each year. The order includes all bricks ordered during the 12 previous months, from April 15 of the previous year to April 15 of the current year. It takes about 60 days to receive the order. We make every effort to install the bricks as soon as possible. Your brick will be installed in front of the Museum no later than July 30.

Why does it take so long from the time I order my brick until it's installed?

To get a large enough quantity, brick orders are only placed once a year. Due to the climate in West Yellowstone, bricks can only be installed between mid-June and mid-September.

What will my donation be used for?

Proceeds from this program are earmarked for the beautification of the grounds of the Union Pacific Depot. Funds are maintained in a separate account for use as projects are scheduled.

How can I get confirmation that my brick has been ordered?

If you provide an email address on the form, we will email you a confirmation upon ordering your brick. We will ask you then to confirm the inscription on your brick and provide corrections if needed. YHC will not share any of your contact information, including your email address and phone number.

What happens if my inscription is wrong or misspelled?

This does happen occasionally. Sometimes bricks get chipped or cracked in the shipping process. If there is a problem with your brick, you will be notified immediately. Every effort will be made to obtain and install your replacement brick as quickly as possible, in most cases before the end of the current installation year. **This is why it is so important that you fill out your inscription and contact information as legibly as possible and confirm the inscription by email.**
